Shoes

Chorus

(Voice 1) Have you got the right shoes on today?

(Voice 2) We've got shoes to run in ...

(Voice 1) To do what you want to do?

(Voice 2) Shoes to have some fun in.

(Voice 1) To tap

(Voice 2) Tap

(Voice 1) To kick

(Voice 2) Kick

(Voice 1) To swim

(Voice 2) Swim

(Voice 1) To splash

(Voice 2) Splash

(Voice 1) To dance to the whole day through?

(Voice 2) To dance to the whole day through?

Just take your pick and choose the pair,

No matter what the style.

For if your feet are happy feet,

They'll go that extra mile.

Verse 1

If you want to get wet and covered in mud,

Well your wellies would be best.

Or kick about in your football boots,

Then your fluffy slippers for a rest.

You could use your athletic skills,

With a twist and turn on ice.

Or a rumble past on your rollerblades,

You must get your skates on in a trice!

Chorus

Verse 2

When the weather is fine, no sign of a cloud

With your trainers off you go.

Or a summer's day on a sandy beach

Get those flip-flops flapping heel and toe!

If the music makes you want to dance,

You could tap, tap, tap away.

Or a pirouette in your ballet shoes,

If you really brave a 'grand plié'
