A World Without Love

Verse 1

When you were little you fought with your sister
or brother.

Now you've grown up you know you really love
one another.

(Both) Open your eyes

(Voice 1) And look around.

(Both) Shout to the world

(Voice 1) Of what you've found.

(Both) Don't you leave behind

(Voice 1) The friends you made.

(Voice 2) Don't you leave them behind.

Chorus

(Voice 1) For a world of war.

(Voice 2) For a world of war.

(Voice 1) For a world of war.

(Voice 2) For a world of war.

(Voice 1) For a world of war.

(Voice 2) Of war,

(Both) And hate.

Verse 2

What are we left with when countries divide and
conquer?

Then closer to home where's the love that unites
us as brothers?

(Both) Let's all join hands

(Voice 1) Across the line.

(Both) Then only love

(Voice 1) Will be our sign.

(Both) Don't you leave behind

(Voice 1) The friends you made.

(Voice 2) Don't you leave them behind.

Chorus

Verse 3

(Voice 1) A world without love is a lonely place.

(Voice 2) Aw.

(Voice 1) A slippery slope for the human race.

(Voice 2) Aw.

(Voice 1) The more we fight, the more we hate.

(Voice 2) Aw.

(Both) How can we let this happen?

(Both) How can we let this happen?

(Both) Please don't let this happen.
