## *Moving On Up*

We can travel underground  
Way down low you hear no sound  
In a train or submarine  
Far above you can't be seen  
Down below we get up speed  
Travelling under land or sea  
*(clap, clap, clap) Hey!*

We can travel on the ground  
Roads or ice or even sand  
Cars or buses, trains or bikes  
Scooters, skis, choose what you like  
There's so many ways to go  
Travelling fast or travelling slow  
*(clap, clap, clap) Hey!*

We can travel in the sky  
See the ground from way up high  
Planes, balloons or micro lites  
Travelling at the speed of light  
Higher than the birds and bees  
Over land and over sea  
*(clap, clap, clap) Hey!*

We can travel into space  
Far above the human race  
Hear the countdown watch us zoom  
Faster, faster to the moon  
Closer to the golden sun  
Travelling's fun for everyone!  
*(clap, clap, clap) Hey!*
